

How a turbulent age gave birth to an artful  
polymath and a curious band called DEVO

The mirror image emerges as a crucial form for the artist and his interest in vision becomes acute

How theatricality is manifest in both  
musical performance & visual art

Evidence that machines have long been  
a frenemy to the artist

A selection of prints that further reveal  
the curious characters that populate the  
artist's world

A ludicrous display of small round figures  
on grassy islands

The heart of the artist's creative output,  
his endeavor to create a lifelong diary  
in the form of 30,000 illustrated postcards
