

00:27:49 Elizabeth: What is difference between visitors & museum-goers?

00:28:19 Rachel Wolff - Mia: great question - we have some surveys that look at museum-goers across the US as a broad category, so we'll dive into that!

01:15:55 rauldebuque: Mia doesn't have a Hispanic art collection on display, or does it?

01:19:57 Alice: That's right, we don't have a specific Latin American or Hispanic art collection or curator. That actually is also something that was recommended in our Strategic Plan

01:29:04 Jan: It was good to see all of you!

01:29:10 Jenny Rydeen: Good to see you too!

01:29:25 Vicki Klaers: Has Mia had a good turn out of live visitors since reopening?

01:29:47 Alice: Hi Kathryn, somewhat! Actually, Rachel and I were just talking yesterday about how we define "out of town" - some people think TC Metro Area, some people say greater MN... How would you define that?

01:30:45 Kathryn Schwyzer: I would define that as non Minnesota residents

01:30:50 Alice: Vicki - yes, we have! We are at 25% capacity, so that's not a lot of people in a day, but some days we "sell out" of

reserved tickets.

01:31:22 Brent Hall: thank you for your work & sharing it with us.  
there's such a great future ahead for MIA w/this data & staff's  
expertise!
